LEARNING IN ACTION...

A special performance

This week we were joined by Britten Sinfonia for a special performance.

With a harp, a clarinet and an oboe, the performers played a series of interactive musical adventures including going underwater and to outer space! They brought a magic box containing a teeny tiny orchestra and wonderful props to help bring the adventure to life.

The children were enthralled and loved joining in using their bodies as percussion instruments.

Enormous thanks go to 20Twenty Productions CIC for arranging this for Cavalry to enjoy!
