Our aims:

1. To reduce food waste in our school - TEFAT trust wide aim. In consultation with our families, Aspens (our school meal provider) and members of staff, our Eco council will work to reduce the food waste at Cavalry by the summer term.
2. To begin to reduce our carbon footprint by reducing our electricity usage, our waste and our water usage. We will encourage families to walk, cycle or scoot to school instead of using the car.
3. Develop our understanding of food growing and production . We will grow our own food to use during our backpack days and will create a biodiverse nature area and outdoor kitchen.
