The unseen

MAGIC

at Cavalry

Dear Families,

This week my blog is entitled '[the *unseen* magic at Cavalry.](#)'

As I walked around the playground yesterday lunchtime, enjoying observing happy children, engaged in their play, I reflected on how privileged I am to get to watch your children loving their playtimes every single day. At the same time however, I realised that this magic is unseen by you. You rely on us sharing these moments with you either verbally or on our social media platforms.

Lunchtimes at our school have been transformed since the appointment of Mrs Dickinson. Many of you will remember her as the Dance Teacher who led Dance Mania for hundreds of children. She is now putting all of

those specialist skills into entertaining our young pupils throughout lunchtime.

Your children are treated each week to a daily **BIG EVENT** which is led by her expert hand. This includes, football trickshot challenges, parachute games, a Wonderful Wednesday surprise and even a Thursday hoop off!

Children from all year groups come together to enjoy this 'holiday camp' style play. Please do encourage your children to share with us any ideas they have for the types of events they would like to see put on and we will do our best to rise to the challenge. The PTFA have provided some funding for new equipment and storage boxes- we are so lucky to have them!

A recent round of pupil surveys saw the most number of pupils we have ever had sharing that they feel happy, safe, busy and entertained during their lunchtimes. What more could we ask for?

We promise to keep sharing the **MAGIC** with you as we travel through this term :)
