LEARNING IN ACTION...

Year 1

This week Year 1 had our Great Fire of London event in the hall! We dressed up and discovered what it would be like to live in the time of the Great Fire of London. First, they found out what jobs people did in the past and had a go at the traditional skills. Then we learnt how the fire started, how they put the fire out and why it spread. Then we became archaeologists and explored the remains of different buildings to discover who worked or lived there using the artefacts as clues! We had the best day!

LEARNING IN ACTION...

Year 3

This week Year 3 have been learning about what life was like in the Stone Age. We talked about how they were hunter gatherers and what impact this had on their day to day life.

The children imagined they were going on a hunting mission and wrote some brilliant diary entries explaining what this experience was like.
