Cavalry Nursery has places for 2026

Cavalry Primary School Nursery is a warm and friendly early years setting where every child is treated as an individual and is encouraged to develop to their full potential.

We are proud to have achieved GOOD during our Ofsted inspection in June. Inspectors commented on the strong links between our nursery and reception classes, making sure our pupils have a strong start to their education. They were impressed that our curriculum delivers key knowledge starting in the early years and 'this has made a significant difference to how well pupils learn the curriculum and are prepared for their next stage of learning.'

Transition from nursery to school is well supported and you can feel happy that your child will be developing and growing happy, confident and contented.
