LEARNING IN ACTION...

Nursery

This week in Nursery we are reading Whatever Next. The children have been learning to count backwards to blast off on their adventures in the outdoor space station. We are developing our fine motor skills mark making in moon dust and counting down to find how many left in the rhyme Five Little Men in a Flying Saucer.

LEARNING IN ACTION...

Year 4

In DT this half-term, Year 4 are going to be designing and making their own roman catapults. This week, as part of the design process, we created our own prototypes which we will then evaluate before deciding on the final design.

Miss Bourlet and Miss Hunter are very impressed with the first efforts and we think the romans would be too!

Hockey Festival @ WGS

Last Friday gave the hockey club a chance to further enhance their skills and play some friendly inter-school matches at the Wisbech Grammar hockey festival.

The group worked hard on their skills in a range of fun games and challenges before having the chance to see what they had learned by taking part in the mini-tournament. We split into two teams and both did well in their groups, neither recording a loss.

Teamwork and communication were excellent and both teams showed strong sportsmanship in their games.

Charlie A was picked out by the coaches for his particularly good attitude to the session; he was awarded a small prize in the closing ceremony.

Word Wizards:

This week the classes with the most 'words read' in Y4/5/6 were:

Class 9 - 364, 875

Class 11 - 421, 511

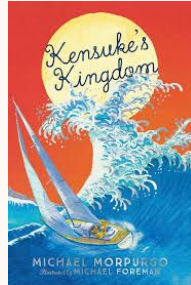

Class 14 - 396, 944

Brilliant books...

Have you read...?

Mrs Birt recommends Kensuke's kingdom by Michael Morpurgo. A dazzling adventure and great read.

Phonics!

Fred says a big congratulations to Miss Deeks phonics group for working hard to learn your story words, so you can read your storybook with fluency!

BRILLIANT BOOKS

Mrs Poole recommends Tom Fletcher's 'There's an alien in your book', a story with fun on every page!
