To select your child's preferred clubs scan the QR code below to take you directly to the online form. REMEMBER to fill in a form for EACH individual child!

USEFUL INFORMATION:

- Regular attendance at each club is really important as we work towards competitions or performances. Please ensure your child lets the club leader know if they won't be in attendance each week. Alternatively, a quick call to the office will ensure the message gets passed on.
- The library will be open at lunchtime daily where a member of staff will be on hand to support the completion of **homework** or for **quiet reading**.
- Further information about signing up for the **Football Fun Factory** sessions will be made available over the next few weeks.
- If your child will be attending a Sports Club which takes place outside please send them with a waterproof and jogging bottoms/ fleece jacket in the colder weather, as light rain and cold weather won't stop play!!! The club will still go ahead if the weather is very wet but will switch to speed stacking indoors.

→ It is usual for clubs to finish a week before the end of each term and start a week or so after the start of each term. We send Parentpay messages about dates to help give early notice of when clubs will not run. We also try not to cancel after school activities even if the lead teacher is not available, another activity is usually offered.

**ALL CLUBS TO START FROM THE WEEK BEGINNING:
19th September 23**
