NEWSLETTER – 28th September 2018

This week at Cavalry:

- On Wednesday children in Year 5 enjoyed working with Heidi from Peterborough Environment City Trust. Heidi helped the children to learn more about wildlife corridors. They made and planted seed bombs, which we hope will give us more wildflowers next year. They also learnt about identifying trees. Everyone is looking forward to Heidi's next visit in the spring.
- Year 3 have been busy creating art in the style of Stone Age cave paintings.
- Year 5/6 children have taken home letters about the residential visit to Wales in March 2019.
- Whole school attendance is 96.2% (our target is 97%).

Other reminders:

- Next week Year 5 will be having their 'bikeability' training so we will have even more bikes at school than usual. It would be a great help if children could park their scooters in the scooter racks and leave in the bike shed for the bikes.
- Please let us know if a new person will be collecting your child at the end of the day.
- Illegal parking close to school continues to be an issue before and after school. Please can we ask all parents to think carefully about where they park, avoiding the single yellow lines unless you have a disabled parking permit. The school's neighbours request that parents do not park in such a way that access to drive ways is blocked. We all want the children to be safe.
