

## What makes Cavalry special?

We want our school to...

have high levels of  
trust

be inclusive

be caring and  
supportive

offer a broad and  
rich curriculum

have high  
expectations

be focused on  
children's learning

celebrate success

be flexible and  
adaptable

be well organised  
and systematic

be community  
orientated

This summary of our values and ethos was created during a whole staff professional development day in April 2017, and encapsulates **'what matters most'** to the people who make Cavalry special.
