LEARNING IN ACTION...

Reception

This week Reception have been learning about Diwali, the festival of lights, which symbolises the spiritual triumph of light over darkness, good over evil, and knowledge over ignorance. It is celebrated by many Hindus, Sikhs, Jains, and some Buddhists worldwide. Our Reception pupils loved making diyas (candle holders), decorating rangoli patterns and holding a diwali party in the roleplay area.

On Thursday, Reception learnt about another celebration, Bonfire Night. They heard about Guy Fawkes and why we Remember, Remember the fifth of November!

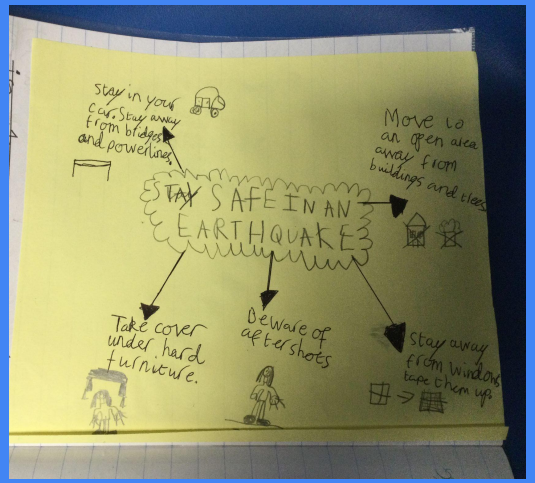

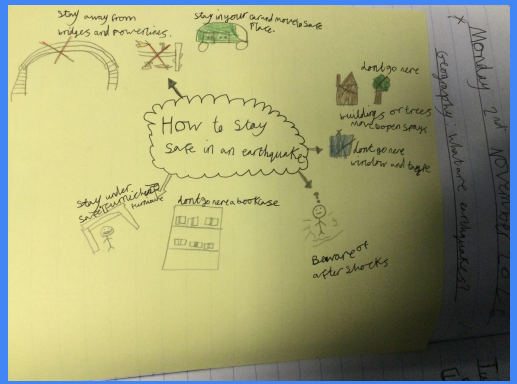

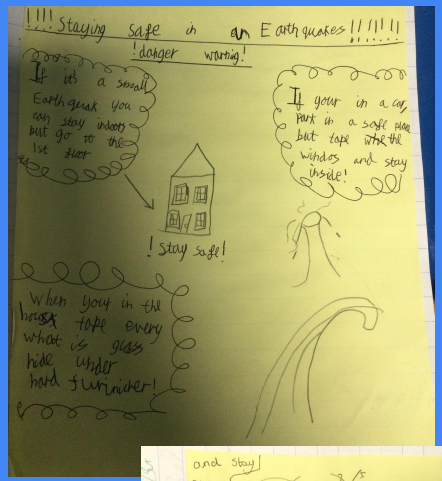

LEARNING IN ACTION...

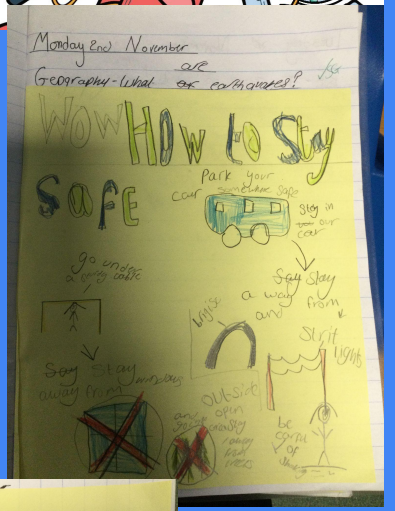

Year 4

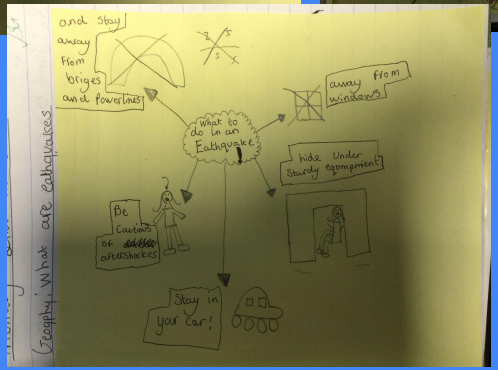

This week, Year 4 have been learning about earthquakes in our Geography lesson. We explored how tectonic plates move to create earthquakes, how they are measured and how people can stay safe if they experience an earthquake. The children created posters to explain how to stay safe in this scenario.

What can you do at home to support learning?

TTRS for Y4

Make sure your child is getting their 20 minutes of set homework completed so they can practice their soundchecks. Alternatively, shouting out random Times Tables facts would also be really beneficial, as it helps children become used to the speed of the Multiplication Tables Check and the random times tables facts asked.

Great Talking!

How often have you asked your child about their day and they either replied “fine” or “I didn’t do anything”? Well, we’ve got a few ideas for you to try to encourage your child to explain more about their day.

Reflecting on the Day (Without Saying "Fine")

- **"What made you laugh out loud today?"**
- **"Who did you sit with or play with at school or nursery today?"**
- **"What was the trickiest thing you had to do today, and how did you fix it?"**
- **What would be your top 3 moments and why?**
- **"If you could replay one moment from today all over again, which part would it be?"**

Word Wizard Winners:
