Cavalry!

Dear Families,

A Saturday night favourite in our house, I wonder how many of you have been watching the events unfold during the recently aired ***Strictly Come Dancing***? As we watched last week's episode where Paul Merson came to the end of his Strictly journey, it made me sit and reflect just how similar the journeys of the amateur, celebrity dancers are to that of our young Cavalry pupils.

All dancers start their journey, much like our pupils, from different starting points. Their basic skills progress at different rates and each celebrity needs to find the best way to motivate and communicate lessons with their dancing 'pupil'.

At Cavalry we pride ourselves on working with pupils to identify preferred individual learning styles but are we always getting it right?

This is where you, the family, come in. I would like to urge you to make the most of the Parents' Evening and openly share any concerns or questions you may have. We are here to work in partnership together to achieve the very best outcomes for your child.

Members of the Senior Leadership Team will be on hand to provide you with a QR code to link you to an online questionnaire. Be open, be honest, as we really appreciate your feedback and want to continue to improve our Cavalry offer.

Pop in and say hello to me in my office as you pass by.

Mrs Edwards :)
