The Elliot Foundation

Mission

The Elliot Foundation was created as a safe place for children and teachers where all are nurtured to achieve beyond even their own expectations.

Our motto, “Where children believe they can because teachers know they can” reflects our conviction that raising expectations for all children and teachers is at the heart of a successful and inclusive society.

Vision

FOR CHILDREN: We help children to discover themselves and aspire beyond any limitations that their context might appear to place upon them. We help them understand that they can be, ‘heroes of their own lives’ building the foundations for healthy and successful lives

FOR SCHOOLS: In addition to the essential functional skills of reading, writing and mathematics, children need to learn how to learn and to believe that they can continue to do so. They must also possess the critical thinking skills to sift fact from fiction to be able to think for themselves, freely and creatively.

FOR SUCCESS: To thrive, whatever their chosen path, children need confidence, curiosity and commitment. We will nurture these attitudes across all their learning experiences.

FOR COMMUNITIES: ‘No man is an island’, children at Elliot schools will be raised with an awareness of the world around them and their role in shaping a better future through volunteering and contributing in their communities.

Awards

At Cavalry, we are passionate about offering our pupils a broad, high quality experience. We are thrilled to have been awarded the following awards.

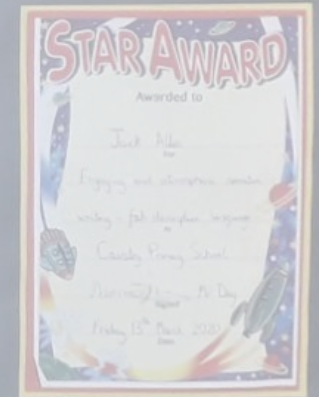

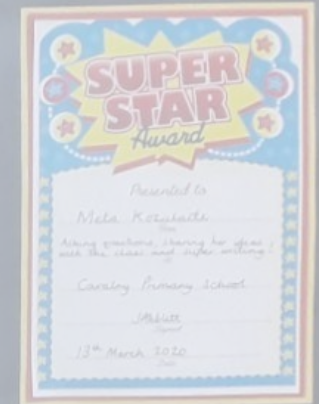

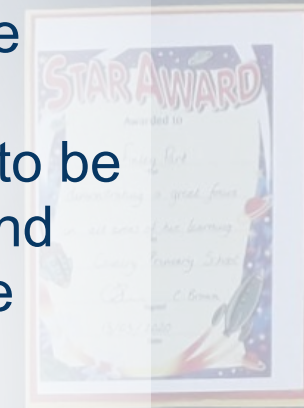

Our Staff

Our staff play a crucial role in supporting the school to achieve its vision and aims for the pupils. Staff are organised in phases with a phase leader and we encourage the sharing of innovative practice across the phase. All staff are actively encouraged to share their thinking and support the school in developing practice to be effective. Professional development is highly valued and there are a significant range of opportunities across the academic year, both internally and externally.

For PPA, staff are released with a partner teacher and we provide an opportunity for support staff to be briefed.

We have a Family Support Worker who provides tailored support to some of our most vulnerable families and children. We also have an Emotional Literacy Support Assistant (ELSA) who works across the school with children who have particular SEMH needs.
